## *Miss McKinleyite*

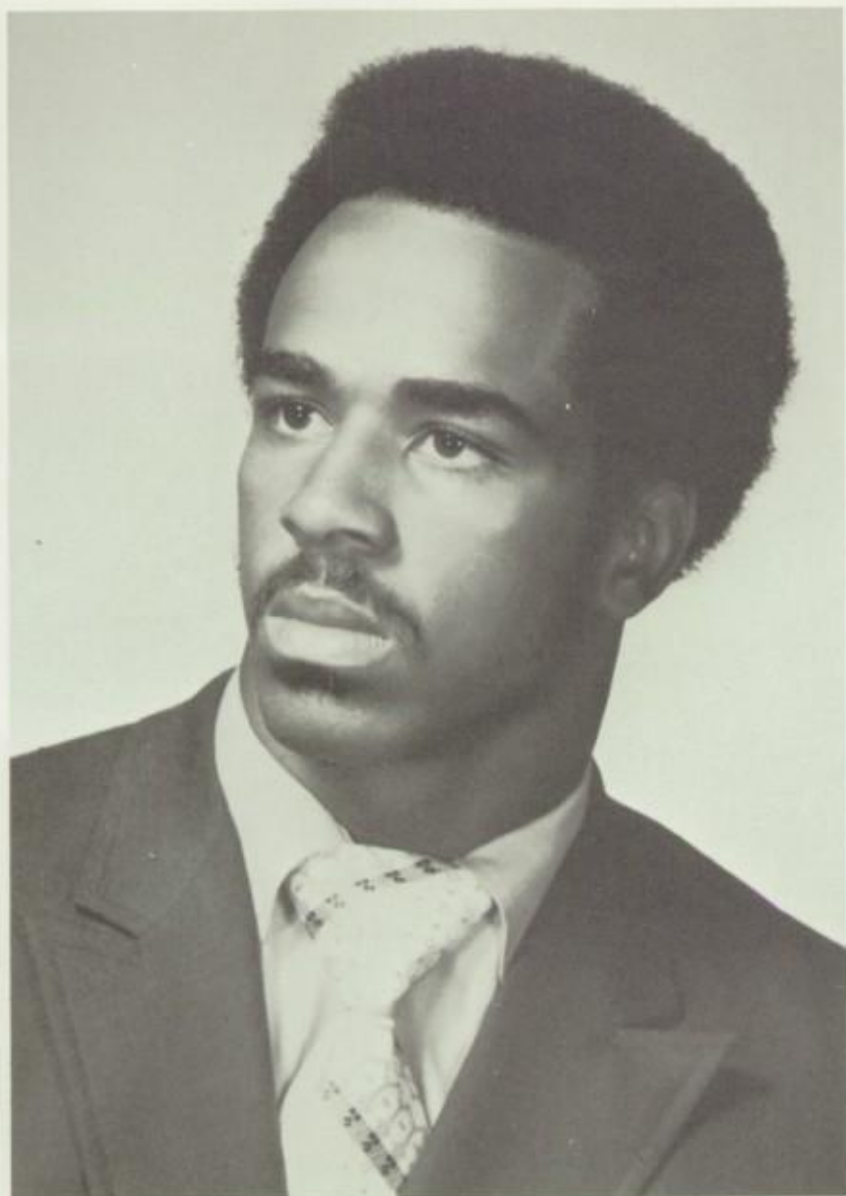

Congratulations are in order to Bonnie Bodnar, for being selected by the McKinleyite staff as Miss McKinleyite for the 1971-72 school season.

Bonnie has been very active in her four years at McKinley. Her list of Activities includes being a four year member of Booster Club and the Honor Roll. She has participated in Red Cross, Latin Club, Thespians, N. F. L., and Quill and Scroll. Bonnie has been selected for Girls Service League and now serves as its Vice-President. She is also Librarian of Concert Choir, Business Manager of the Chanticleer Staff, and Managing Editor of the McKinleyite. In her Junior year she was elected Prom Queen Attendant by her classmates. This year she has the honor of being Prom Queen.

Once again, congratulations to Miss Bonnie Bodnar for being selected Miss McKinleyite of 1971-1972.

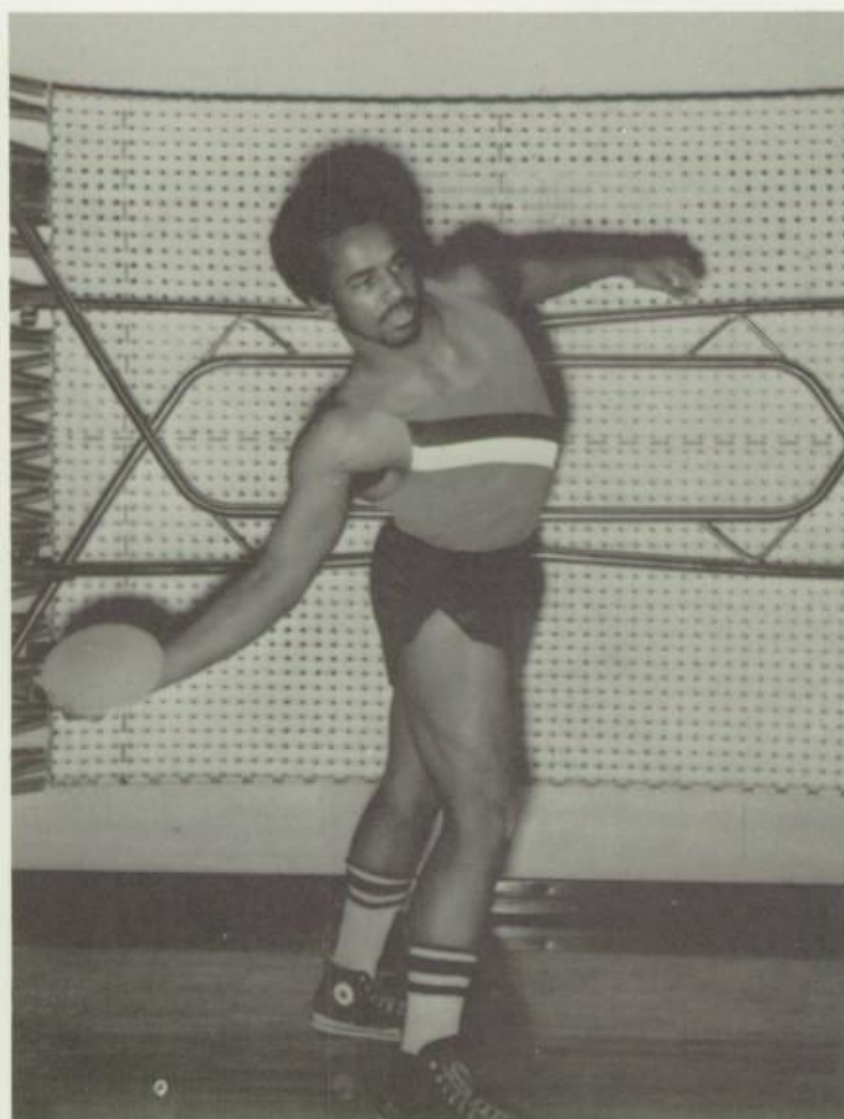

## *Mr. McKinleyite*

Congratulations to Rodney Gordon as he has been selected as Mr. McKinleyite for 1971-72 by the McKinleyite staff.

Rodney has been a leader at McKinley High School not only in athletics, but scholastically as well, maintaining a 3.4 average since his Freshman year. His average has made him eligible for Honor Roll during his years at McKinley and in his senior year he was chosen for the National Honor Society.

Rodney has played football four years at McKinley, and this year was chosen captain of the team. He also led the track team to many victories, throwing the discus.

Once again, congratulations to Rodney Gordon for being selected Mr. McKinleyite for 1971-1972.

# NFL

The McKinley National Forensic League is the High School's Speech and Debate organization. Over 40 students compete weekly to improve their speaking ability.

Success has been the tradition of the organization over the past few years as many students have qualified for competition at the State Tournament. For three successive years, McKinley has qualified students for the National Tournament.

NFL sponsors many social events throughout the year . . . a Halloween, Christmas and Valentine's Day Party as well as a Bowling and Roller Skating Party. The year finishes with the Annual Award's Banquet.

Officers of NFL are Larry Moye—Assistant Secretary, Mike Thompson—Debate Librarian, Carol Spotleson—Secretary, Francis Pantelides—Treasurer, Mike Cohen—Vice President, Bev Orkis—Historian, Jackie Stephen—I.E. Librarian, Cyndy Pelyak—President

McKinley Speech and Debate contestants meet in the main lobby of the high school before leaving for their weekend tournament.

## N.F.L.

McKinley NFL members and Coach Aul are found enjoying themselves while preparing for the McKinley All-Events Tournament. The students and coaches spend many hours in preparation for some 30 visiting schools from all of Ohio. The McKinley tournament is the largest in the district.

A typical round of competition finds senior Paula Enyart delivering her oration "The Laughter Changed."

Members of the McKinley NFL have their "ups and downs" and so do the coaches.

One of McKinley's numerous "team" awards this year is accepted by NFL President Cyndy Pelyak.

Junior Francis Pantelides displays her talent at the NFL Bowling Party. What a "striking" pose.

Santa and his friend visited this year's Christmas Party.

Here we find four McKinley contestants proudly displaying their trophies after a tournament.

It's the way it was for the McKinley High basketball team Friday night at Memorial Fieldhouse where they lost a 50-49 thump-thumper to

BOB RUPERT had come out and said his deserved a better fate, few would have snickered about the use of the old cliché by the maestro because they did everything but

a game and 47 per cent of their field goal attempts — and had completely dominated their opponents on the boards.

But, they ran into a tenacious man-to-man defense that took them out of their game.

With one exception, they were outshot by the much younger, smaller Pups, and they were No. 2 in rebounds.

THE EXCEPTION proved the undoing of the Bulldogs, who cashed only 11 of 22 free throws while Boardman made 18 of 29 to offset a six-point difference in field goals.

McKinley blew a seven-point lead late in the game of a seven-point

battle.

The Bulldogs will be out to make some sort of amends tonight, opposing Warren Harding (7-4) after the fieldhouse opener sends Lincoln (9-2) against Lorain Admiral King (9-2). Last night Warren halted previously unbeaten Alliance 58-41 and King beat Mansfield Senior 71-65.

Timken (6-5) makes its only start of the week — Warren John F. Kennedy (8-4) over Maplewood.

McKinley limited Boardman's fielders during the final period, were unable to muster the needed points they had cut the Spartans' 48-4 nothing.

MEADVILLE Pa. — The basketball Bulldogs of Canton, Pa., McKinley High School apparently couldn't stand prosper Tuesday night.

They held an eight-point lead after three quarters but lost to host school, 59-58, in their first game of the Meadville tournament.

McKinley, which outgoaled its opponent and took the setback in forward Biff Kress sank a number of free throws with four seconds left in the battle, will have a chance to get back on the victory wagon tonight.

THE BULLDOGS will meet Meadville St. Joseph in the consolation game starting at 7 p.m. The title contest at 9 will be between Meadville's Bulldogs and Pittsburgh Fifth Avenue, an 82-73 conqueror of St. Joseph last night.

Coach Bob Rupert's McKinley, which fought back for its 48-40 lead in the third period after Meadville had gone ahead 15-10 in the first and 31-27 at half-time.

Meadville took advantage of McKinley turnovers in the fourth quarter and the only a desperate Kress bagged a last throw.

KRESS MADE 19 of 22 free throws, winning team's top scorer of Davenport, who tossed 15 points.

Howard Robinson's Cantonians, who have seven markers from Billy and Garland Brown. The Canton team made

Unbeaten Lions annihilated Central Catholic 89-59 as giant, Bob Brykalski, scored 35 points for a career high, and the Bulldogs

## We've learned one thing about profit.

**If you can't make a little of it...  
you can't make much of anything.**

Profit is what keeps a company's wheels turning. So it can keep turning out the products its customers rely on.

And our wheels have been turning continuously for seventy years.

Profit pays for our research and development. It helps us discover new bearing and steel uses.

Profit pays for new facilities. And it pays for the people who have helped to make the profit.

Can you help? Do you have the training and determination it takes to meet the challenges of today's moon-rocketing technology? When you graduate, come see us. And if you plan to go on to college, remember us for the future.

Marlene,

I tried to think of all sorts of things to write, but they are quite unimportant to what a person feels. We were close, and always will be - no matter what you'll always be my bigger - little sister who is younger than me.

I could write 10 thousand rhymes, or poems which no one understands, but for you I wanted to write something special that won't be used in anyone else's annual, ever again.

"We've had a lot of great, and good things happen to us in these past years, and the future holds something we're not sure of - except with the help of each other. I want you to remember of all the times we can cherish, but that would cancel any free time because we would have to relive each day, other than that there is no way to treasure it with all of our meanings.

We'll always be together, no matter what, because that's the way we said it would be. Our lives will lead down different roads as destiny changes on - but we'll walk together, down the road - because it was meant for you and I to share a lifetime of friendship and sisterhood together. Events which we can't forget will involve both of us, together.

Never give up hope, or trust because that's what develops you so fine. I could wish you luck, but you have that feature contained within you already, so just be your own beautiful self, and things will work out just fine.

Especially treasure thoughts of Health, personal typing, Dave's hair, Algebra, Geometry, and Chemistry. Those "certain people" which are too numerous to list, which we never could ever forget.

Before I close I should place a bit of wisdom before you, "Go moose hunting, and you'll end up with 40 gallon milk cans"

Peace, Power, Freedom  
Love you
